Dear Community Partner,

The Greenbelt Alliance was formed in 2009 to protect the beautiful Greenbelt Park from a proposed powerline. As Aubrey and Denton community members came together, raised funds, and hired legal representation, we managed to protect our public lands. Today, we continue to finance repairs and improvements in the park. We believe in the importance of maintaining the Greenbelt in its present scenic natural state so that we may pass on the beauty and peace of nature to the next generation.

Our 4th annual GreenFest 10k, 5k, and Fun Run will take place this year on April 20, 2024. As a sponsor, we'd like to offer you the opportunity to reach the 300–500 people who attend the event every year, as well as the nearly 100,000 people we reach through our social media accounts. Our festival area provides provides an ideal gathering space for local supporters and business leaders to share their products and company information.

The details of the various ways you can participate and the application are included in the following pages.

If you have any questions feel free to contact me. Thank you for your consideration.
